

December 2021 COVID-19 Update

Clients, friends, and families: On December 10th Governor Hochul handed down a mandate on masks requiring them to be worn indoors unless proof of full vaccination upon entry where a business requires it. This is set to take place starting December 13, 2021 through January 15, 2022 when it will be reevaluated.

Our Team remains committed in providing you with a Five-Star real estate experience while protecting the health and safety of all involved.*

We ask you to kindly wear a mask regardless of vaccination status when in our office, at any open houses and real estate property showings.

For your safety and the safety of our agents and their families: If you are symptomatic or have been exposed to COVID, we ask that you kindly refrain from attending any showings and coming into our office.

Our office is equipped with a secure outside drop-box should you need to drop off any information, deposits or documents.

Our agents are always a phone call away. Please feel free to contact them directly with any real estate needs.

**Thank you for
keeping our
community safe!**

*We are following **all necessary health and safety precautions** guidelines set forth by NY State at [NY State COVID-19 Information](#). For additional information: [US Government CDC COVID-19 Information](#).
